VALIDITY & CONDITIONS

The above mentioned rate is applied to all new FIT bookings received after 1 August 2019 for trips in 2020.

This rate and its inclusions and exclusions can be changed at any time prior to reservation. Included services and facilities are listed in good faith and based on the presumption that all equipment and machinery is in good working condition and present on board at the time of the booking, with the caveat that there is no guarantee that it will be so at the time of departure of the cruise. MSY Mutiara Laut will endeavour to provide the listed inclusions to the best of its abilities.

DIVE EQUIPMENT FOR RENT: MSY Mutiara Laut is equipped with a large selection of dive equipment, which is made available either for free use or for rent, depending on the item. However, the quantities and the range of sizes is limited and diving equipment cannot be provided on an a-la-carte basis. A detailed inventory of the existing diving equipment on board is available on request.
